

Minutes of meeting 3rd March 2008

The chairman welcomed everyone to the meeting. A special welcome for our secretary (Audrey) after her long illness, and wished her better health for the future. Audrey thanked everyone for the flowers and cards that she had received. PCSO Llinos Williams and Karen from Communities First were present. Minutes of the last meeting were correct. Matters arising-2008 annual trip hopefully will be going to Weymouth, further discussion will take place at the next meeting. It will take over four hours to get there, over a distance of 180 miles each way. The fence behind Llys yr Orsaf and behind Llys y Gof have got Anti Vandal paint painted on the top and signs been erected. The chairman is trying to price mobile camera and is looking for funding if possible. Car wing mirrors have been pushed forward twice in Nelson Terrace. One of our members has received a note pushed through his door complaining about barking dogs. The note was NOT signed by anyone – No address and no contact number. This person threaten to report it to the Police, we would be grateful if that person did report it to the Police, then we would find out who it is. A note like this is harassment. All members have received a circular about SCAM, please DO NOT reply to them, also a Fireflash leaflet. Please have a FREE home fire check. A letter was received from Mr Paul Evans, son of Mrs D. Evans late of 11 Nelson Terrace, who is now in The Plas, Felinfoel. The letter thanked the work we are doing in the watch. Paul enclosed a kind donation for the watch. Thank You Paul for your kindness. A member asked about Alleygating the back of Bryn Road. Alleygating is being discussed by Carmarthenshire County Council at present. Priority will be given to the worst lanes first. The Blue Bag may come into force within the next two years hopefully. Please recycle what you can. On the 28th March are asking for your support, as they are holding an evening/night surgery in the car park in North Dock between 2000 hours and 2000 am the following morning. Please support them. A public meeting will be held at Bethel Chapel Vestry on 8th April to discuss the new school in Seaside. At the next meeting it is expected that Fire Officer Nigel Gibbard will give us a talk about Fire Safety in your home. The raffle was won by Louise Williams, who also plays darts and had 180 for the first time. Next meeting will be held on Monday 7th April at the Cambrian in Marine Street at 6 30 pm (1830 hours). New members are also welcomed.
