A trip was arranged by Community First to Barry, near Cardiff to view Alleygating of the back lanes there.

The visit took place on 28<sup>th</sup> April where Mr Ron Hipkiss and the Chairman. We were met by Keith Jones and Lynn Creese from the Vale of Glamorgan Council, who kindly showed around and explained the

benefits of Alleygating to reduce crime and disorder.

## Problems in the area.

Youths have been in the back lane of Bryn Road throwing things into the back of the houses, and also jumping over the walls and opening the back lane doors where dogs have been left out.

Complaints were received about speeding cars in Bryn Road and Marine Street. The Police stated that they are doing speed checks in the area.

One person reported a fence had been left in the back lane and reported it to Mr Paul Harries at the Seaside Community office. Thank you Paul for reporting the matter to the Council, and it was removed soon after.

The prize for the raffle was kindly donated by Mr & Mrs Ron Hipkiss and the winner was Mr Graham Anthony, Bryn Road.

Do Not forget the next meeting on Monday 2<sup>nd</sup> of June.
